

CALL FOR ABSTRACTS

Calling all academics and industry researchers: Techtextil North America is now accepting applications to present your research and/or innovative product developments to top manufacturers, retailers, press and more at the next edition of Techtextil North America – taking place August 23 – 25, 2021 at the Raleigh Convention Center in Raleigh, North Carolina.

The highly acclaimed Symposium will feature seven paid sessions addressing the latest research, trends, technologies and insights on topics including:

- Reinventing the Supply Chain
- Digital Transformation
- Sustainability in Laundering and Textile Care
- Circular Economy
- Fabric and Materials ID
- Government Laws and Regulations
- Nonwovens and Personal Protective Equipment

Also returning to Techtextil North America are Tech Talks and The Lab – complimentary mini-sessions on the show floor covering but not limited to research, design, engineering, and innovation in the following areas:

- New Fiber Technologies
- Testing and Standards
- Raw Materials & Sustainability
- Medical/Healthcare/PPE
- Durable Nonwovens
- High Performance Materials
- Nanotechnology
- Military Textile Applications
- Smart Textiles
- Automotive & Aerospace
- Manufacturing Technology
- Laundering & Textile Care

Selection of papers will be based on abstracts of 300-500 words. Authors should emphasize new and significant findings/developments.

All abstracts must include: the name, company or other affiliation, telephone number, fax number, e-mail address and mailing address of the speaker and/or the person to whom correspondence about the abstract should be directed. Only one speaker per presentation will be allowed, though co-authors may be listed. The speaker for the paper should be underlined, and (the speaker only) will receive a complimentary event registration — three day exhibit hall pass for Tech Talks and The Lab speakers, and a Full Symposium pass for Symposium speakers. Authors will only be notified if their papers are accepted. All costs associated with your participation will be at your expense (travel, housing and food). All presentations should be planned to run approximately 20 minutes, plus 10 minutes for questions.

Deadline for Symposium submissions is April 2, 2021. Tech Talks and The Lab submissions are due May 1, 2021. Please email to:
