

STUDENT RESEARCH POSTER PROGRAM 2021

The 2021 edition of Techtexil North America is now accepting abstracts for the Student Research Poster Program being held August 23 – 25, 2021 at the Raleigh Convention Center in Raleigh, North Carolina USA. Formerly the Graduate Student Poster Program, the 2021 Program is open to undergraduate students, as well. We invite you to submit your unpublished, technical research to be considered for this opportunity to present your findings on the show floor among industry professionals.

Why Participate in the Student Research Poster Program?

- Network with top manufacturers, product developers, retailers & more with three days of complimentary exhibit hall access
- Share your ideas and research experience with peers from other academic institutions
- Familiarize yourself with the range of products offered by the Textile community
- Access new and innovative research and trend activities
- Identify potential future employers and foster collaborative research with global brands

Abstracts are solicited in (but not limited to) the following areas:

Nonwovens

- Automotive
- Fibers
- Filtration
- Functionalization
- Geosynthetics
- Medical and Hygiene
- Nanofibers
- Polymers
- Wipes

Technical Textiles

- Aerospace
- Automotive
- Coated Fabrics
- Composites
- ElectroTextiles
- Geosynthetics
- High Performance
- Medical & Healthcare
