

CALL FOR ABSTRACTS

The 2022 edition of **Techtextil North America** is now accepting abstracts for the highly acclaimed Techtextil North America Symposium being held May 17 - 19, 2022 at the Georgia World Congress Center in Atlanta, GA.

We are currently soliciting abstracts related to the following topics:

- | | |
|--|--|
| ■ Textile Science & Materials Engineering | ■ Circular Economy & Sustainability |
| ■ State of the Industry & Market Trends | ■ Manufacturing Technology |
| ■ Advanced Fibers | ■ Industry-specific Applications |
| ■ Smart Textiles | ■ Nonwovens |

Selection will be based on abstracts of 300-500 words. Authors should emphasize new and significant findings/developments.

All abstracts must include: the name, company, university, or other affiliation, telephone number, and e-mail address of the speaker and/or the person to whom correspondence about the abstract should be directed. Only one speaker per presentation will be allowed, though co-authors may be listed. The speaker's name should be underlined and (the speaker only) will receive a complimentary conference/event registration. Authors will only be notified if their abstracts are accepted. All costs associated with your participation will be at your expense (travel, housing and food). Registration for the event will be complimentary if your abstract is accepted.

Commercialism Policy: All speakers must refrain from making overt commercial statements in writing, orally and visually. Commercial statements include direct comments made for commercial gain or advantage, traditionally referring to companies, products, or services.

Deadline for submission is Thursday, January 20, 2022 via email to:
