

CALL FOR ABSTRACTS

The 2024 edition of Techtextil North America is now accepting abstracts for the highly acclaimed Techtextil North America Symposium being held August 20-22, 2024 at the Raleigh Convention Center in Raleigh, North Carolina.

Papers are solicited in (but not limited to) the following areas:

- Protective and Military Textile Advancements
- Automotive Textile Applications
- Medical Textiles – research and application based
- Raw Materials & Sustainability
- Water Treatment and wastewater/filtration
- Automation and Software development
- ChatGPT and AI Design
- Smart Textiles and wearables
- Nonwovens/Durable Nonwoven Advancements
- Biopolymers
- 3D Printing in Textiles
- New Fiber Technologies

Selection of papers will be based on abstracts of 300-500 words. Authors should emphasize new and significant findings/developments.

All abstracts must include: the name, company or other affiliation, telephone number, e-mail address and mailing address of the speaker and/or the person to whom correspondence about the abstract should be directed. Only one speaker per presentation will be allowed, though co-authors may be listed. The speaker will receive a complimentary conference/event registration. Authors will only be notified if their papers are accepted. All costs associated with your participation will be at your expense (travel, housing and food). Registration for the event will be complimentary if your paper is accepted.

All presentations should be planned to run approximately 20 minutes, plus 10 minutes for questions.

Deadline for submission is Friday, November 17, 2023 via email to the following:
